

**PRESS RELEASE-**  
**4MKFM and Melco Engineering's**  
**'FULL HOUSE'**  
**-The winner announced-**

We have seen the devastation of the February 15 Floods in the paper, on the news and in the faces of those who lost everything. We have all been touched by it in one way or another.

4MKFM was touched by Melco Engineering when they called the station and offered to give a family in Mackay, affected by the floods, a whole house full of furniture. With livelihoods totally ruined- and every possession of some gone 4MKFM extended the offer to listeners.

For the past week friends and family have been nominating those who are in need of the furniture, telling us their stories, sending in pictures of the disaster that is now their life.

At 8.15 this morning, Thursday 7 March, Ian from Melco joined Meech in the 4MKFM studio and drew the winner of '4MKFM's FULL HOUSE'. The name drawn out was Robin Good of 5 Davey Street Glenella who was nominated by 2 different people, her daughter and Jenette Meiert. Clearly in need of help Robin was very emotional and grateful to 4MKFM and Melco Engineering.

In addition Kirsty from Nightowl has donated \$250 of groceries for Robins fridge.

Melco Engineering and 4MKFM will load the furniture on an M and P Tilray and at 1.30 this afternoon we will back the truck up to Robins house and unload the lot!!

Winners name and details are embargoed until 9am Thursday 7 March 2008.

The following is a list of the furniture donated from Melco Engineering Paget.
