

MEDIA RELEASE:

Madill Motor Group goes a classic red for Red Nose Day June 27

Madill Motor Group Noosaville is again this year donating \$100 to Sids and Kids from every car sold between June 20 to June 27. Red Nose day being the major annual fundraising event towards Sids and Kids, the charity organisation dedicated to preventing Sudden Infant Death Syndrome (SIDS).

Madill Motor Group has really gone red this time, with beautiful red sports cars on show now until Friday!

See the glamorous 2008 C6 ST3 Corvette Coupe, the elegant 1972 246GT DINO Ferrari, and a 1958 Series1 1.8litre MGA.

For those who love two wheels, on show will be a Hot Red 2008 Ducati 1098 super bike.

Adding more shades of red for Madill Motor Group and Red Nose Day, see the Red & White 2008 Corolla Levine ZR Hatchback on display, the Show Car for the TRD Toyota Rally team of Neil Bates/Coral Taylor and Simon Evans/Sue Evans currently competing in the Australian Rally series.

The Madill Motor Group charity raising effort culminates on Red Nose Day, this Friday, with a LIVE broadcast by Zinc 96.1 fm from 2 till 6pm including an appearance by Bob Abbott and Sausage sizzle with \$1 from each snag sold towards Sids and Kids.

Certainly a worthwhile cause to have a "nosey" at!

See you at Madill Motor Group, Super Autopark, Lionel Donovan Drive, Noosaville.
