

URGENT MEDIA RELEASE – THURSDAY 13 MARCH 2008

“Mayoral Candidates Cut and Colour for a Cause”

The Leukaemia Foundations Worlds Greatest Shave raises hundreds of thousands of dollars each year for those touched by Leukaemia. Hot91 & Garry Crick hope to make a significant contribution to this tally with their Cars For a Cure initiative.

This month, Garry Crick at Maroochydore, Nambour and Noosa have donated \$100 from each car sold to the Leukaemia Foundation.

To celebrate Hot91’s Ronnie, Todd & Sami will broadcast live from Garry Crick Maroochydore this Friday from 6am – 9am.

Along with members of the public who have already pledge to have their heads shaved, Ronnie Todd and Sami will also be joined by a number of other special guests who on election eve are keen to lend their support to this worthy cause.

Bob Abbott has pledged to colour his famous beard.

Joe Natoli will join the cause and try his hand at shaving or colouring Shave participants.

The 2 mayoral candidates will be joined by Biggest Loser contestant John Morrall. After successful weight loss of over 30kg, John has vowed to shave off the beard he has hid behind for over ten years.

Public are invited to come down and have their hair shaved or coloured on the morning by the hairdressers on standby and enjoy the free BBQ breaky.
